Approval of the March 19, 2014 Board Meeting Minutes

Mr. Barnett seconded by Ms. Mancuso-Smith made a motion to approve the March 19, 2014 Board Meeting Minutes as written. The motion carried unanimously.

**TOPICS FOR DISCUSSION**

Retina Scan

**DECISIONS AND RECOMMENDATIONS**

Mr. Warner and Mr. Harris gave a presentation on the retina scan which is also referred to as "Eye Detect". Mr. Warner stated that this does not replace the polygraph machine but could work in conjunction with it.

Mr. Walker reviewed the Statute and Rules with the Board.

It was then determined that because the Statute and Rules as they read currently only address the Polygraph Technology, there would need to be a

legislative change in order to exempt the Retina Scan in the licensing for Deception Detection Examiner.

Mr. Walker suggested Mr. Warner and Mr. Harris take this up with the associations to bring before the legislature.

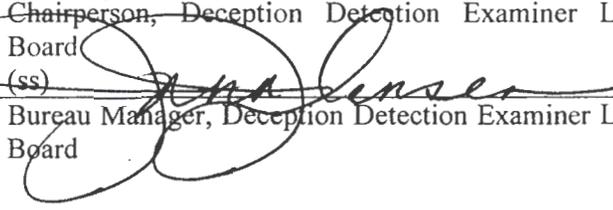

Closing a Meeting Handout

Ms. Johansen submitted information with regards to closing a meeting for the Board to review. Ms. Johansen suggested the Board review the information and they could discuss it at the next meeting.
