SWEAR IN NEW MEMBERS

Dan Jones administered the oath of office for the three new members of the Plumbing/Health Advisory Committee.

ELECT A CHAIR AND VICE CHAIR  
FOR THE PLUMBING/HEALTH ADVISORY COMMITTEE

A motion was made by Nathan Lunstad to nominate Jody Hilton as chair. The motion was seconded by Linda Ebert and passed unanimously.

A motion was made by Jody Hilton to nominate Nathan Lunstad as vice chair. The motion was seconded by Jeff Park and passed unanimously.

APPOINT LIAISONS FOR PLUMBING/HEALTH AND MECHANICAL ADVISORY COMMITTEES

The appointment of a liaison for the Plumbing/Health Advisory Committee was delayed until there is someone on the Commission that represents the plumbing industry.

A motion was made by Chris Joyal to appoint Patrick Tomasino as the liaison for the Mechanical Advisory Committee. The motion was seconded by Chris Jensen and passed unanimously.

MINUTES

A motion was made by Richard Butz to approve the minutes from the October 7, 2015 UBC Commission meeting as written. The motion was seconded by Patrick Tomasino and passed unanimously.

A motion was made by Dennis Thatcher to approve the minutes from the August 4, 2015 Mechanical Advisory Committee meeting as written. The motion was seconded by David Halverson and passed unanimously.

A motion was made by Jeff Park to approve the minutes from the June 4, 2015 Plumbing/Health Advisory Committee meeting. The motion was seconded by Nathan Lunstad and passed unanimously.

REVIEW THE DIVISION OF AIR QUALITY'S PROPOSED RULE FOR NOx GAS FIRED WATER HEATERS AND MAKE A RECOMMENDATION

Bryce Bird spoke to those present in connection with the proposed rule. Following his presentation, comments were heard from those present. After the discussion by all present, a motion was made by Kevin Emerson to make a recommendation to the

legislature in support of moving forward with the proposed rule for NOx gas fired water heaters but to do further study on pricing and the cost of installation and to wait for the outcome of the Questar testing. The motion was seconded by Brent Ursenbach. Following the discussion on the motion, the motion was withdrawn and the second concurred.

A new motion was made by Ron McArthur that the Commission and Advisory Committees make a recommendation to the legislature in support of the concept and the idea as written in the proposed rule presented by DAQ on moving towards low NOx water heaters. There are some concerns regarding altitude which can be reported on by Questar and that report is expected in June or July as to whether they can perform as expected and safely. There are also concerns about clarifying the cost of the water heater and the cost of installation information and as to whether it is to be enforced statewide. These issues should be studied and resolved. If they can be resolved, then move forward. The motion was seconded by Richard Butz and passed unanimously by the Commission and two advisory committees.

A motion was made by Ron McArthur that once the ruling on low NOx water heaters is finalized, that the UBC Commission formulates an amendment and makes a recommendation to the legislature that the new ruling be incorporated as part of the building code amendments. The motion was seconded by Chris Jensen. The motion passed with a unanimous vote from the Plumbing/Health Advisory and Mechanical Advisory Committees and a vote of six in favor and Kevin Emerson abstaining.

The meeting adjourned at 11:30.
