(4) Levels of supervision are defined as follows:

(a) "Direct supervision" and "immediate supervision" mean the supervising licensee is present and available for face-to-face communication with the person being supervised when and where occupational or professional services are being provided.

(b) "Indirect supervision" means the supervising licensee:
(i) has given either written or verbal instructions to the person being supervised;
(ii) is present within the facility in which the person being supervised is providing services; and
(iii) is available to provide immediate face-to-face communication with the person being supervised as necessary.

(c) "General supervision" means that the supervising licensee:

5

(i) has authorized the work to be performed by the person being supervised;
(ii) is available for consultation with the person being supervised by personal face-to-face contact, or direct voice contact by telephone, radio or some other means, without regard to whether the supervising licensee is located on the same premises as the person being supervised; and
(iii) can provide any necessary consultation within a reasonable period of time and personal contact is routine.

(5) "Supervising licensee" means a licensee who has satisfied any requirements to act as a supervisor and has agreed to provide supervision of an unlicensed individual or a licensee in a classification or licensure status that requires supervision in accordance with the provisions of this chapter.

Shirlene,

I have been somewhat confused of all my requirements other than doing drug screens. I wish to meet with the board to discuss my path back to licensure again in the future. Would you email me with what date and time when I get to meet with the board. mikensoftballman@aol.com

Thank You,
